

TERMS OF REFERENCE OF THE TAC SUBGROUP TO REVIEW THE BC OPTIONAL PROGRAMME (2019)

Adopted by the Committee at its 51st session (October 2019)

- a) To assess the usefulness of the current SAPP Optional Programme, based on user feedback and engagement.
- b) To evaluate in particular how the SAPP Optional Programme has fed into participants' efforts to work towards performing their own operational acquisition and pre-processing of observations or other input data for NWP.
- c) To formulate recommendations on the future development of the SAPP Optional Programme and any modifications to the Programme guidelines.
