## **1. INSTRUCTIONS TO PROPOSERS**

### **1.1 Introduction**

This Request for Proposal (RFP) has been prepared by the European Centre for Medium-Range Weather Forecasts, (governed by its Convention and associated Protocol on Privileges and Immunities which came into force on 1 November 1975, and was amended on 6 June 2010) ("ECMWF") for the purposes of obtaining proposals from suppliers for provision of the corporate website rebuild.

The submission of a response to this RFP shall constitute an offer that may be accepted by ECMWF so as to become a binding contract. However, ECMWF is not bound to accept any quotes. If ECMWF elects to accept a quote, subject to contract, the parties shall execute a formal contract incorporating the terms and conditions contained in the RFP and any other agreed terms.

#### **Introduction to ECMWF**

ECMWF is an independent intergovernmental organisation supported by 34 States. Information on ECMWF's activities can be found at <https://www.ecmwf.int/en/about>

ECMWF has two sites, one in Reading, UK, and another one in Bologna, Italy. From mid-2021, ECMWF may also have established a third facility on the European mainland.

### **1.2 Background to the project**

The background to this RFP is described in Annex 1.

### **1.3 Confidentiality**

The contents of this RFP together with all other information, materials, specifications or other documents provided by ECMWF, or prepared by respondents specifically for ECMWF, shall be treated at all times as confidential by the respondents unless it is already in the public domain. Respondents shall not disclose any such information, materials, specifications or other documents to any third parties or to any other part of the respondents' group or use them for any purpose other than for the preparation and submission of a response to this RFP nor shall respondents publicise ECMWF's name or the project without the prior written consent of ECMWF. Respondents shall ensure that all third parties to whom disclosure is made shall keep any such information, materials, specifications or other documents confidential and not disclose them to any other third party except as set out above.

ECMWF reserves the right to retain all documents submitted by respondents in response to the RFP. Any information in such documents that is proprietary and confidential to the respondent will be handled confidentially by ECMWF provided it is clearly and specifically identified as such. Such obligation shall not apply if such information is or was obtained from other sources that do not bind ECMWF as to confidentiality or if the information is in the public domain. ECMWF may make responses available for evaluation purposes to authorised people including its governing body, committees, and professional advisers in addition to ECMWF's own personnel under the same conditions of confidentiality.

Please also note that all personally identifiable information (PII) requested by ECMWF or provided by respondents will be treated in accordance with the ECMWF Policy on Personally Identifiable Information Protection (PIIP). It is available at <https://www.ecmwf.int>. ECMWF shall process all PII submitted by your response for the sole purposes of assessing your response. In doing so, ECMWF may share such PII with consultants or external advisors.

#### 1.4 Enquiries and contact procedure

Any enquiries or requests for clarification of any matters arising from this RFP should be sought from the Procurement Section at ECMWF and must be made in writing by e-mail as follows:

Contact name: Procurement at ECMWF

E-mail: [procurement@ecmwf.int](mailto:procurement@ecmwf.int)

The subject of the email must be: **“Clarification to RFP/2021/320”**

Where ECMWF supplies further information regarding the RFP or issues clarifications as a result of the questions received it will make them available through its web page in accordance with the timetable in Section 1.5, unless the question is specific to a supplier’s proprietary solution. The identity of the questioner will not be revealed. The bidders are advised to follow ECMWF website for any updates or clarifications that may be announced.

#### 1.5 Timetable for procurement

ECMWF envisages the following timetable for this RFP:

RFP issuance date	5 October 2021
Final date/time for receipt by ECMWF of clarification questions	14 October 2021, midnight
Date by which clarification questions will be answered	21 October 2021
Closing date/time for submission of responses	<b>Thursday, 28 October 2021, 15:00 UK Local time</b>
Evaluation of proposals by ECMWF	October-November 2021 (including clarification of bidder responses if required)
Negotiations with one or more Proposers	November 2021

#### 1.6 Submission of responses

The respondent must submit their response to [RFP320@ecmwf.int](mailto:RFP320@ecmwf.int) as an email with attachments containing its complete response to this RFP including its response to Annexes 1 and 2. The attachments must contain a printable version of the response in Microsoft Word format, Rich Text Format (RTF) or Adobe Portable Document Format (PDF) and in Microsoft Excel format for any spreadsheets. The email should confirm that the response has been submitted by a duly authorised director or senior officer of the respondent.

The subject of the email must be: **“Response to RFP/2021/320”**

**You will receive an automated receipt confirmation upon submission of your response. If you do not receive one, you should contact [procurement@ecmwf.int](mailto:procurement@ecmwf.int) immediately.** You must NOT send or copy your response to the contact email address in 1.4 above.

Please note that ECMWF reserves the right to contact bidders during the evaluation process in order to clarify points in their response, therefore the contact point should be monitored during this period.

### 1.7 Timeliness of response

ECMWF will not consider any late or partial responses to this RFP nor will it consider requests for extension of the time or date fixed for the submission of proposals. It may, however, at its own absolute discretion extend the time or date fixed for submission and in such an event ECMWF will notify all Proposers who have provided ECMWF with an e-mail address for communication of additional information.

Technical failure, including of a computer, browser, e-mail system or internet connection, is not a valid reason for late or failed submission of a response, unless as a result of a failure of the ECMWF's IT systems, and in the case that there was no reasonable course of action the respondent could have taken to submit the response on time. **It is important that you do not leave the submission of your response to the last minute.**

### 1.8 Costs of preparation of response

Recipients of this RFP will be responsible for and bear all of their own costs, liabilities and expenses which may be incurred in the preparation of their responses to this RFP.

### 1.9 Evaluation method and selection criteria

Responses to this RFP will be evaluated based on the criteria and weights shown in the table below:

Evaluation criteria	Weighting
Quality <ul style="list-style-type: none"><li>• Track record</li><li>• Quality of resources</li><li>• Quality of the proposal</li></ul>	60%
Price	40%

ECMWF reserves the right to negotiate with one or more respondents before taking a decision on the placing of a contract. This may involve a meeting either in person (on site in Reading) or via video-conferencing. ECMWF cannot reimburse the respondents for any costs relating to such meetings. Following notification of the result of your bid you may request feedback on the evaluation from ECMWF.

### 1.10 Warnings/disclaimers

Nothing contained in this RFP or any other communication made between the respondent and ECMWF or its representatives shall constitute an agreement, contract or representation between ECMWF and any other party (except for a formal award of contract made in writing by ECMWF). Receipt by a respondent of this RFP does not imply the existence of a contract or commitment by or with ECMWF for any purpose.

ECMWF reserves the right to change any aspect of, or cease, the RFP at any time.

While ECMWF has taken all reasonable steps to ensure, as at the date of this document, that the facts which are contained in this RFP are true and accurate in all material respects, ECMWF does not make any representation or warranty as to the accuracy or completeness or otherwise of this RFP, or the reasonableness of any assumptions on which this document may be based. ECMWF accepts no liability to respondents whatsoever and however arising and whether resulting from the use of this RFP, or any omissions from or deficiencies in this document.

ECMWF may use the information included in a response for any reasonable purpose connected with this RFP.

The proposal shall remain valid for a minimum of three months after the closing date for this RFP.

### **3.8 Additional matters**

Please set out any additional information or other relevant matters which you think have not been adequately addressed in the RFP and/or merit further consideration in your response.

## **ANNEX 1: SPECIFICATION OF REQUIREMENTS**

### **1. OBJECTIVES AND SCOPE**

Since its creation the ECMWF website and underlying technologies have been broadly divided into corporate and user (products and services) websites. This project focuses on the corporate website of the ECMWF web, with the overall objective to separate the management and platform of the corporate site and its content from that of the 'user' sites.

The current website uses Drupal 7, which would need upgrading to the latest version as part of this project. We are not envisaging moving away from a Drupal cms unless a compelling argument can be made.

We want to use this opportunity to improve some aspects of the website and navigation through continuous improvements, by having the benefit of an updated cms and its features, style templates, and editing tools.

The successful bidder shall provide the following activities:

- project management to deliver the objectives in a timely and cost effective manner;
- migration of the current website to the new cms;
- technical support and maintenance of the website;
- cost option for hosting arrangements.

The selected agency would need to be able to start immediately following contract signature before the year end, and we anticipate completing the migration by October 2022.

### **2. ABOUT THE ECMWF WEBSITES**

The corporate website promotes ECMWF strategy and include corporate information pages on ecmwf.int such as:

- homepage
- news
- blogs
- media resources including photography, film and multi-media library, captioning and meta tagging
- events
- information about the organisation and its activities/products/services
- job vacancies/talent information
- information for suppliers
- publications, and committee documents.

The corporate website shares navigational elements with our other sites to integrate the user journey across them so that they appear as one site while actually being delivered across multiple subdomains and platforms.

Content is mostly static with some content being integrated from other parts of the ECMWF web or beyond. Examples include the homepage and Forecast landing page charts (from apps.ecmwf.int), the calendar of events (from events.ecmwf.int), committee documents (from livelink.ecmwf.int), personal information on staff pages (from our Active Directory), publications lists and authors (synchronised with DOIs and ORCID), and the status page (from infoboard.ecmwf.int). We will expect a CMS where editors can securely utilise html code for integration and embedding of content from third party sources.

## Website key audiences

Audiences of the ECMWF corporate website may be scientific experts or non-scientific and include:

- International Scientists, Forecasters, Academics and Researchers, often moving through the website to the forecasts, charts, and product content
- Policy formers, decision makers, and stakeholders
- Government bodies (from Member and Co-operating States, and others) and Funders
- Journalists and media
- Event participants and contributors
- Job applicants and talent
- Suppliers and partners
- General public visitors.

The corporate web pages are also a conduit or landing page for internal stakeholders (all levels of staff), industry visitors and users who access product and service areas of the ECMWF web.

# TERMS AND CONDITIONS OF CONTRACT - SERVICES

## 1 INTRODUCTION AND DEFINITIONS

- 1.1 These Terms and Conditions (“T&C”) shall apply to the procurement of any intangible beneficial function (e.g. advice, consultancy or some form of specialist activity) which is not ancillary to the supply of goods. These T&C shall also apply to any tangible items (e.g. documents, datasets and other materials) which are provided by the supplier or its agents, contractors or employees, as part of or in association with the function (“Deliverables”). In these T&C, the function and the Deliverables shall be referred to collectively as the “Services”.
- 1.2 ECMWF and the person or entity whose offer is accepted by ECMWF (“Contractor”) are “Parties” to these T&C. No third party is entitled to claim any rights under these T&C.
- 1.3 No variation of these T&C shall be valid unless it is confirmed in writing by authorised signatories of both Parties.

## 2 SUPPLY OF SERVICES

- 2.1 The Contractor shall from the date set in the Request or any other date agreed upon by the Parties in writing (“Commencement Date”) and for the duration of the Contract provide the Services to ECMWF in accordance with the terms of the Contract.
- 2.2 The Contractor shall meet any performance dates requested by ECMWF.
- 2.3 In providing the Services, the Contractor shall
  - co-operate with ECMWF and comply with all instructions of ECMWF;
  - perform the Services with care, skill, diligence in accordance with best practice in Contractor’s industry, profession or trade;
  - ensure that the Services and Deliverables will conform with all descriptions and specifications set out in the Request, and that the Deliverables shall be fit for any purpose expressly or impliedly made known to the Contractor by ECMWF;
  - acquire for itself and at its own expense, all equipment, tools, vehicles and such other items as are required to provide the Services;
  - use high quality goods, materials, standards and techniques, and ensure that the Deliverables will be free from defects in workmanship, installation and design;
  - obtain and at all times maintain all necessary licences and consents, and comply with all laws applicable to the Contractor;
  - if applicable, comply with all relevant rules and regulations in force at ECMWF premises;
  - hold all materials and data supplied by ECMWF to the Contractor in safe custody at its own risk and return them in good condition, unless agreed otherwise by ECMWF.
- 2.4 ECMWF shall
  - if necessary, provide the Contractor with reasonable access at reasonable times to ECMWF’s premises for the purpose of providing the Services;
  - provide such information to the Contractor as the Contractor may reasonably request and ECMWF considers reasonably necessary for the purpose of providing the Services.

## 3 PRICE, CURRENCY, AND VAT

- 3.1 Unless otherwise agreed the total price payable by ECMWF shall remain fixed for the duration of the Contract, not be subject to any adjustment on the basis of the Contractor’s cost experience in performing the contract, and must contain all charges, disbursements, ancillary costs and fees e.g. for accompanying licences.

- 3.2 The currency of the Request shall be in Pounds Sterling (£) / Euro (€). The Contractor's prices shall be quoted in Pounds Sterling / Euro. The Contractor's invoices shall be submitted in Pounds Sterling / Euro. Payments by ECMWF to the Contractor shall be made in Pounds Sterling / Euro.
- 3.3 The Contractor shall take all necessary steps to facilitate ECMWF's exemption resulting from its Protocol on Privileges and Immunities from taxes, including VAT, and customs duties which might otherwise be payable in relation to the Services. It will do so by carrying out the necessary formalities so as to bring about the exemption from taxes and duties which might otherwise be levied on the expenses it will incur, before it submits the invoice to ECMWF; and by complying with all necessary formalities so that ECMWF itself may be exempt from paying such taxes and duties. For these purposes, it shall request the necessary instructions from ECMWF and provide in due time the information which ECMWF requires.
- 3.4 ECMWF will not pay any other taxes or duties relating to the Services. The Contractor shall be liable for all other taxes, assessments, fees, licences, administrative customs charges or other governmental assessments or charges that are applicable to the performance of this Agreement. It is each Party's responsibility to inform itself of its liabilities in each country where such liabilities may arise.

#### 4 INVOICING AND PAYMENT

Save where different payment terms are specified in the Request, ECMWF shall pay all invoices within 30 days of receipt provided the Contractor has complied with its obligations under the Contract, particularly with Article 2 of these T&C, and the invoice is correct, stating the applicable Services, the price, the Contractor's VAT number, any Order number and has been issued to Finance Section at ECMWF, Shinfield Park, Reading, RG2 9AX, United Kingdom, and sent thereto or to [finance@ecmwf.int](mailto:finance@ecmwf.int). The Contractor shall supply ECMWF with all necessary information as advised by ECMWF regarding the Services, in good time before the performance, to enable ECMWF to avail itself of its exemption from customs duties and taxes.

#### 5 KEY PERSONNEL AND PERSONNEL

- 5.1 If ECMWF chooses to define key personnel in the Request, such personnel shall not be released or replaced by the Contractor without prior written consent by ECMWF. ECMWF's consent shall not be withheld unreasonably. Replacements shall be of at least equal status or of equivalent experience and skills to the key personnel being replaced and be suitable for the responsibilities of that person in relation to the Services.
- 5.2 Any personnel, including key personnel, shall be exchanged at ECMWF's request subject to four weeks written notice, unless extraordinary circumstances require a shorter notice period. In that case, ECMWF has to provide the Contractor with a written statement of grounds.
- 5.3 Personnel other than key personnel, may be exchanged at the Contractor's discretion subject to four weeks written notice, unless extraordinary circumstances require a shorter notice period. In that case, the Contractor has to provide ECMWF with a written statement of grounds.

#### 6 CALL-OFF CONTRACT

- 6.1 In certain cases, meeting the initial Request may require more than one order. The award of a Contract based upon one such order does in no way limit ECMWF's right to invite new bidders for future orders under the same or a similar Request.
- 6.2 In such cases, the Contractor agrees that ECMWF may order further Services following the initial acquisition under the Contract and at the Price specified in the Contract or the Price in a quotation in response to a Request, as appropriate.

## 7 WARRANTY REMEDIES; TERMINATION

- 7.1 If the Services are not performed in accordance with Clause 2.3 and the Contractor fails to correct any breach in due time, ECMWF shall be entitled to avail itself of any one or more of the following remedies at its discretion: (a) to rescind or suspend the Contract with immediate effect; (b) to refuse to accept any further Service performance and to source alternatives without any liability to ECMWF; (c) to carry out at the Contractor's expense any work necessary to make the Services comply with the Contract; and (d) to claim such damages as may have been sustained in consequence of the Contractor's breach of Contract; and (e) to reclaim any advance payments ECMWF may have made; and (f) to offset any such claims for damages or refunds against any outstanding portion of the price.
- 7.2 ECMWF may resort to any one or more of the remedies stipulated in Clause 7.1, mutatis mutandis and with immediate effect upon written notification, if it comes to the conclusion:
- That the Contractor has committed errors, irregularities, fraud or breaches of other obligations under the Contract; or
  - That the Contractor is involved in any legal proceedings concerning its solvency, or ceases trading, or commits an act of bankruptcy or is adjudicated bankrupt, or enters into liquidation whether compulsory or voluntary (other than for the purposes of an amalgamation or reconstruction) or makes an arrangement with its creditors or the Contractor is placed into administration or has an administrator, receiver or manager appointed over all or any part of its assets or generally becomes unable to pay its debts; or is acquired by or merged with any third party.
- 7.3 It is left to the Contractor to provide evidence to rebut ECMWF's conclusions. ECMWF may take timely rebuttals into account, reconsider the remedies, or enter into negotiations with the Contractor.
- 7.4 ECMWF reserves the right to terminate any Contract at thirty (30) days' notice, without limiting its other rights and remedies. The Contractor has the right to terminate any Contract at sixty (60) days' notice without limiting its other rights and remedies.

## 8 FORCE MAJEURE

Neither party shall be liable to the other party for any delay in or failure to perform its obligations as a result of any cause beyond its reasonable control ("Force Majeure") provided the affected party notifies the other party as soon as reasonably practicable. If any Force Majeure event continues for at least 90 days, either party shall be entitled to terminate the Contract with immediate effect by notice in writing to the other party.

## 9 CONSEQUENCES OF TERMINATION

On termination of the Contract for any reason, the Contractor shall immediately deliver to ECMWF all Deliverables whether or not then complete, and return all material and data supplied by ECMWF. Upon inspection of the Deliverables, ECMWF may choose to keep and pay for incomplete Deliverables proportionately or otherwise return them to the Contractor and not make any payment for incomplete Deliverables.

## 10 INTELLECTUAL PROPERTY RIGHTS

- 10.1 ECMWF shall own the Deliverables and all intellectual property rights in the Deliverables.
- 10.2 Clause 10.1 does not apply to the Contractor's pre-existing intellectual property rights or rights that the Contractor may have developed or acquired independently of the performance of his obligations under these T&C. In such cases, the Contractor grants ECMWF a free, non-exclusive, irrevocable, worldwide, transferable, sub-licensable and time unlimited licence to use all such intellectual property rights as are necessary for the use of the Services and in particular the Deliverables, including for their

maintenance, modification, and replacement by or on behalf of ECMWF. The Contractor warrants to be entitled to grant such a licence.

- 10.3 Ownership of the Deliverables shall be fully and irrevocably acquired by ECMWF under the Contract from the moment they are accepted by ECMWF as being in compliance with the Contractor's obligations under the Contract, particularly with Article 2 of these T&C. ECMWF shall notify the Contractor in due time if it does not accept the Deliverables. If so, it shall notify the Contractor and, if necessary, return the Deliverables immediately.

## 11 INDEMNITY

The Supplier shall keep ECMWF indemnified against all liabilities, costs, expenses, damages and losses suffered or incurred by ECMWF or any of its Member States as a result or in connection with any claim, including but not limited to claims for actual or alleged infringement of a third party's intellectual property rights, brought against ECMWF arising out of, or in connection with ECMWF's receipt or use of the Services to the extent that the claim is attributable to the acts or omissions of the Contractor, its employees, agents, or subcontractors. This Clause 11 shall survive termination of the Contract.

## 12 PUBLICITY & CONFIDENTIALITY

- 12.1 The Contractor may not use ECMWF's name for advertisement, reference or publicity purposes without ECMWF's prior written consent.
- 12.2 If either party learns of confidential or proprietary information of the other party, it may not disclose such information without prior written consent of the other party. This obligation will survive the expiry or termination of the Contract for a period of five (5) years or until such earlier time as the confidential information concerned reaches the public domain other than through the receiving party's own default.
- 12.3 Either Party shall keep all of the other Party's confidential technical or commercial know-how, specifications, inventions, processes, or trade secrets ("Confidential Information") in strict confidence, unless otherwise is required by law or any regulatory authority. This obligation applies to the Parties' affiliates or Member States, their employees, agents, or sub-contractors. Each Party shall only disclose such Confidential Information to those affiliates' or Member States' employees, agents, or sub-contractors who need to know it for the purpose of discharging the disclosing Party's obligations under the Contract.
